

About Us

St. Thomas the Apostle School is an academic institution and our primary purpose is to give our students the best education in a Catholic atmosphere. Athletics is an important part of education. Becoming involved in our Athletic Program contributes to the development of physical skills and the ability to work with others.

Athletics enhance the learning process, develop leadership, and create a spirit of camaraderie within the school. Academics, however, is our first priority.

Athletic Fee

Annual athletic participation fee for each family is \$100.

We Are the TROJANS!

The St. Thomas Athletic Association believes that athletics is an extension of the total educational experience one receives at St. Thomas the Apostle School. Our goal is

- to provide a Catholic environment that promotes teamwork.
- to develop "Leadership" skills through participation in athletics.
- to develop and attitude of "Sportsmanship" in sports and in life.
- to provide a life long attitude of striving for "Excellence" in all aspects of life.

We are part of the Northwest Suburban Catholic Conference (NSCC) and follow most IHSA rules.

"Leadership"
"Sportsmanship"
"Excellence"

We have a long and rich tradition of athletic achievement. As you walk down the hallways, you can see the trophies and plaques won by our student athletes/teams. Once you step into our gym, you can notice the championship banners hanging in there. They bear testimony to the success of our Trojan athletes and to the dedication of our volunteer coaches.
