8th Grade Athletic Awards 2017

Dear 8th Grade Students and Parents:

Each year, St. Thomas Athletic Association honors one girl and one boy student athlete each with **Ringness Memorial Outstanding Athlete** and **Glen Black Sportsmanship** awards.

The **Ringness Memorial Outstanding Athlete Award** is given to two athletes, one boy and one girl of the graduating 8th grade class, for their overall outstanding achievement while participating in St. Thomas sports in grades 5 through 8.

The **Glen Black Sportsmanship Award** is given to two athletes, one boy and one girl of the graduating 8th grade class, who have best exemplified the spirit of sportsmanship while participating in St. Thomas sports in grades 5 through 8.

These awards will be presented at the 8th Grade Dinner Night on Friday, May 19, 2017.

It is our hope that all students who have participated at one time or another in the St. Thomas sports program will take the time to complete the attached form. **Only those who complete the form will be considered for the awards**.

Please return the form by May 1, 2017 to the attention of the **Athletic Association 8th Grade Awards Committee**.

If you have any questions, please contact Jill Foster, Athletic Director.
